Strong gold color. On the nose, intense pear fruit, delicate quince and wild herbs. On the palate, complex, well defined, delicate honey notes, acts somewhat loosely, yet harmonious. A great companion for blue cheese; the aftertaste reverberates with dried stonefruits, ringing mandarins and linden blossoms. Medium length. 88 POINTS Falstaff Magazine

2005 Tokaji Muscat Betsek PLCB# 10699

Glowing yellow gold. On the nose, subtle nuances of nutmeg, a little cumin, anise and marshmallow with a very welcoming bouquet. On the palate, juicy, racy, pure yellow Muscat fruit, beautiful balance, with convincing length marked by terroir; spicy finish, very, very big presence and great aging potential. So balanced that the residual sugar is perceived no more than a fine touch; fascinating wine. 94 POINTS Falstaff Magazine
