

Quinta de Gomariz- DOC Vinho Verde & DO Vinho Regional Minho

2008 Espadeiro (Rose) PLCB# 08817

Appealingly clean and fresh, from its light pink color to the pink grapefruit acidity, this has intriguing floral scents of pear and melon. It ends crisp, a summer picnic wine for grilled chicken sausages. 88 POINTS W&S

2008 Loureiro PLCB# 22928

Powerfully concentrated, this wine is all plump fruitiness, its flavors of tart peach and gooseberries bringing Sauvignon Blanc to mind. A ripe Vinho Verde for grilled snapper. 90 POINTS W&S

2008 Vinhao Red PLCB# 22929

Deep, intense purple color. This young wine has intense fresh red fruits on the nose, with a uniquely soft tannic feeling in the mouth. This wine is meant to be enjoyed with rich dishes such as roast pork or grilled meats.

2008 Alvarinho PLCB# 08812

This starts off with brisk peach and pear flavors that last. With air, the fruit moves past the red cask of peach skin towards “fraise de bois.” The acidity has a granitic feel, keeping the wine’s richness in check while lending clarity to the fruit. For grilled John Dory. 92 POINTS W&S
